

STEP 1 OF 6

ESSENTIAL TO REQUEST SERVICE

48 WEB Landing Form

A lead-generating page for your business. Start with your contact details; the rest can be completed later.

\$500

48-hour delivery starts when payment is processed.

Lead Generation Landing Page · 48 Ofiso Solutions

* marks essential contact fields. Download this PDF, fill it in, and save it to resume later. Completing it does not submit a lead or take payment.

Business name *

Your full name *

Project contact email *

Project contact phone *

Business type / industry

Example: contractor, salon, consultant

Do you currently have a website?

Your role in the business

Preferred contact method

Keep it simple.

Only the four contact fields above are needed to request service. Steps 2–5 may be completed later. A text preference is not marketing consent.

STEP 2 OF 6

PROJECT DETAILS · CAN FINISH LATER

Your page essentials

These details help us write your page and understand your offer. They are needed before the build, not to capture your initial inquiry.

What does your business do, and who do you help?

What product, service, or offer should this page promote?

Who is your ideal customer?

City / region / areas served

Why choose you? List up to three main benefits.

Main action visitors should take

Page language

Your offer price / quote preference

Offer deadline / special terms

What is included? Any FAQs or language notes?

Stay focused.

This package is a lead-generation landing page, not an online store. Tell us about one clear offer and one primary visitor action.

STEP 3 OF 6

OPTIONAL

Branding & content

Share what you have. No logo, photos, or written content yet? Leave those fields blank and tell us what support you need.

Logo / brand-guide file or folder link

Use an accessible shared link. Do not include passwords.

Your business colors / fonts

Preferred style

Business, team, product photos / video link

Existing marketing copy / brochure / FAQ link

Testimonials, reviews, awards, licenses, or results

Provide source links and names for attribution. Avoid sensitive client details.

Social media / Google Business links

Example websites / styles to avoid

What content or design help do you need?

Use authorized materials.

Only share assets and testimonials that you own or have permission to publish. The online form can support file uploads once built.

STEP 4 OF 6

OPTIONAL

Lead capture & connections

Tell us how your new page should collect inquiries and where they should go. Leave technical items blank if you are unsure.

What should your visitors provide? Select all that apply.

| ☐ Name | ☐ Company |
| ☐ Email | ☐ Service interest |
| ☐ Phone | ☐ Message / quote details |

Which visitor fields must be required?

Other visitor fields needed

Where should YOUR page's leads be emailed?

Public business phone / email

Different from your private project contact?

Public address / opening hours

After a visitor submits

CRM / email / analytics tools to connect

Your customer booking-calendar URL

Automatic follow-up needed? Email / SMS / internal alert

Privacy policy / terms / disclaimers / consent links

We request account access later using secure invitations. Never enter passwords, API keys, or payment-card details in this intake.

STEP 5 OF 6

OPTIONAL

Book a call & plan your launch

Want to talk before moving forward? Share your availability. These are appointment preferences—not a confirmed booking.

Would you like a consultation?**Meeting preference****Preferred dates / days****Preferred times / time zone****Domain / hosting status****Existing or desired domain name****Desired launch date****Final approver name / role****Final approver email****Optional services or add-ons you want to discuss**

Final options and prices appear in the separate payment form.

REVIEW

Review & next steps

Check your details, save your completed PDF, and keep a copy for your records. You can return to any step to make changes.

- ☐ I checked my business name and contact information.
- ☐ My page details are complete, or I will provide them later.
- ☐ For materials I supply, I own them or have permission to publish them.
- ☐ Ofiso Solutions may contact me about this specific request using my selected contact method.

Your privacy matters.

Do not include account credentials, government IDs, sensitive customer records, or payment-card details. Contact permission here does not enroll you in marketing messages.

What happens in the online form

1. Review and submit your intake.
2. After a successful submission, your request is recorded and our team is notified.
3. The separate payment and add-ons form opens.
4. Book a call if you would like help.

This PDF is a fillable intake document, not a live submission or booking system. It does not automatically send notifications or open payment. Save and share it with your Ofiso representative through an agreed secure channel.

Separate payment form

48 HRS WEBSITE PAYMENT — payment & add-ons

Payment takes place outside this PDF. Optional add-ons, their prices, and any recurring charges are shown on the separate payment form.

Service offer: \$500. The 48-hour clock begins when payment is processed. If delivery is late, Ofiso Solutions refunds the \$500.
